

Workshop Outcomes

- Become familiar with Continuing the Mission (CTM) resource
- Review the four domains and reasons for their inclusion
- Review potential use for different roles
- Develop an action plan for implementing it within your organisation.

- Why is this domain important in leading a Catholic ministry?
- How does it relate/impact the ministry which you are leading?
- What elements of this domain are important for every Catholic leader to have?
- What elements are important for a group as a whole to demonstrate (eg. Executive group/Board/Trustee groups)?
- What are the challenges in implementing this element in your ministry?

- **What elements of the domains might I need to strengthen as a key leader and how might I do this?**
- **What elements might our organisation's leaders need to focus on and how might we do this?**

- **As a result of this workshop how might you use this document in your organisation?**
- **Outline 2-3 next steps to using the resource in your organisation.**
- **Discuss with one or two colleagues.**
