What you will learn

- competence in identifying effective processes for resolving ethical problems;
- confidence in applying the CHA Code of Ethical Standards;
- a deeper appreciation of the Catholic ethical vision and its core principles;
- an understanding of the nature of ethics and ethical problems;
- an ability to analyse and respond to specific cases especially those most common in Catholic health and aged care;
- access to resources to assist in addressing ongoing ethical challenges.

About the Course

The eight-session course will:

- be based on the principles of adult learning and best practice online pedagogy;
- incorporate multi-media content from experts around Australia;
- integrate ethical principles via case studies and the day-to-day experience of participants;
- support ethical practice in both the clinical and wider organisational environment;
- foster reflective practice;
- require approximately two hours per session to complete (around 16 hours total);
- be uploaded fortnightly over a four month period;
- offer access to feedback and group learning via a tutor and online learning community.

Course structure

Face-to-face Seminar

The course starts with an introductory face to face seminar. A filmed version of the face-to-face seminar will be available online if, for exceptional reasons, participants cannot attend the seminar in person. This essential seminar is designed to set the foundations for the entire course, to enhance subsequent online learning and to give participants the chance to meet the facilitator and one another.

The course will comprise eight sessions, each of which will involve a twenty-minute video presentation, readings and online discussion (around 16 hours).

Online Sessions

Session 1	The Questions and Situations which Give Rise to Ethics
Session 2	The Groundwork of the Catholic Ethical Vision: Sources and Themes
Session 3	The Centre of the Catholic Ethical Vision: The Dignity of the Human Person
Session 4	A Holistic Vision: The Human Person, Relationships and the Search for Meaning
Session 5	Sexuality, Beginning of Life and the Code
Session 6	Aged Care, End of Life and the Code
Session 7	Research Ethics, the Principle of Cooperation and the Code
