

Sustaining our *values* for what?

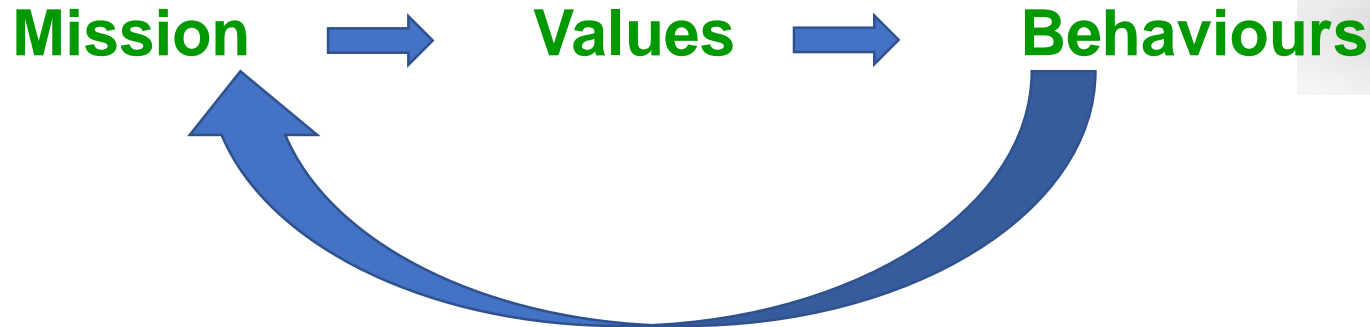

Mission

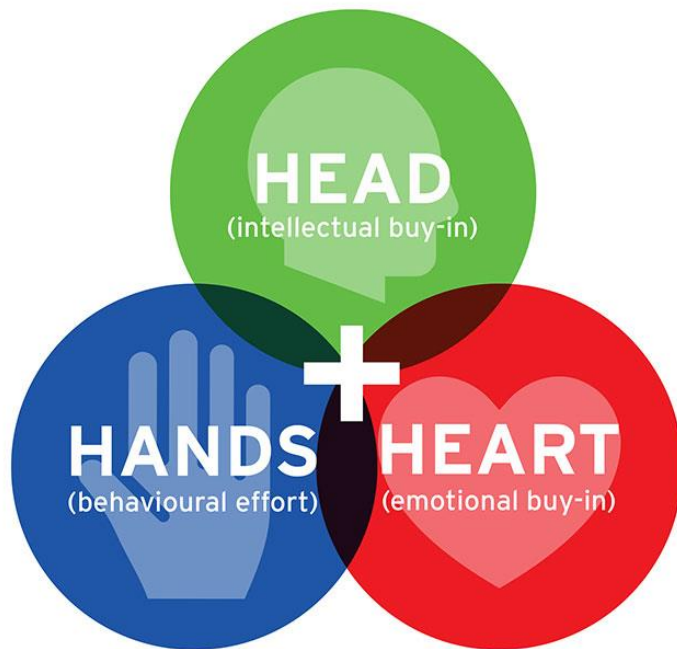

Values

To continue the *healing* Mission of Jesus...

21% of our workforce and 20% of our clients identify as *Catholic*...

Effective Formation....closes the gap

...to *heal* as Jesus did

What behaviours did Jesus model? *How did he heal?*

Sustaining our values through Effective Formation

Challenges:

- Support Caregivers to *integrate* knowledge and awareness of Jesus' healing Mission into one's personal and professional interactions.
- Moving from *compliance* to the delivery of *compassionate care*

Challenges:

- Deliver on the ultimate goal of all our endeavours-that our patients are **healed** in ways that give them a reason to hope and a greater sense of their own dignity (to heal as Jesus healed).
- Evaluating the Impact...

***No-one after lighting a lamp hides it under a jar,
or puts it under a bed, but puts it on a
lampstand, so that those who enter may see the
light.” (Luke 8:16)***
